# HEALING THE WOUND OF LONELINESS - SOUL JOURNAL

This journal is designed to help you learn how to reframe loneliness in a positive and productive way.

It will provide you with questions, step-by-step instructions, exercises, and examples to help you gain a better understanding of loneliness and how to deal with it. Please take the time to complete each exercise and answer the questions as honestly as possible.

## LET'S GET STARTED

What are some negative thoughts or feelings that come up when you think about loneliness?

---

---

---

How do these negative thoughts or feelings make you feel?

---

---

---

What is the difference between loneliness and solitude?

---

---

---

What are some of the benefits of solitude?

---

---

---

What are some things you can do to make the most of being alone?

---

---

---

How can you reframe loneliness in a positive way?

---

---

---

What are some things you can do to make loneliness a more positive  
experience?

---

---

## EXERCISES

Take some time to reflect on your answers to the questions above.

Write down your thoughts and feelings about loneliness.

---

---

---

---

Make a list of all the activities you can do when feeling lonely.

---

---

---

---

Write down a list of positive affirmations that you can use to reframe  
your loneliness in a positive way.

---

---

---

---

---

---

---

---

### EXAMPLES
